1.

Mission Impossible, nowhere to go  
I am a slave to what I don't know  
Work for life, live to work, when can I live?  
Freedom can only be found in your dreams

2.

Mission Impossible, nowhere to go  
I am a slave to get into the flow

B.

Living in a thunderstorm  
Running 'gainst the wind  
Heading for a golden light  
If we don't break the chains

R.

Twilight into the dark, we run from  
Twilight into the dark  
Twilight into the darkness  
Twilight into the dark

3.

Mission Impossible, nowhere to go  
I am a slave to a prison in law  
Free yourself, be yourself, fall to your knees  
This vicious circle you'll never leave

Twilight into the dark...
