You tell me that you love me baby, then you say you  
don't  
You tell me that you'll come on over, then you say you  
won't  
You love me like a hurricane, then you start to freeze  
I'll give it to you straight right now, please don't tease

You come right out and tell me, you're out with  
someone new  
You play it oh so doggon cool, I don't know what to do  
You never seem to answer me, you just don't here my  
pleas  
I'll give it to you one more time, please don't tease

Oh please don't tease me, you know it hurts so much  
Come on and squeeze me, you know I need your  
tender touch

But you tell me that you love me baby, then you say you  
don't  
You tell me that you'll come on over, then you say you  
won't  
You love me like a hurricane, then you start to freeze  
I'll give it to you straight right now, please don't tease
