Tepper/Bennet

the young ones  
darling we're the young ones  
and the young ones  
shouldn't be afraid  
to give love  
while the flame is strong  
cause we may not be the young ones  
very long

tomorrow  
why wait until tomorrow  
cause tomorrow  
sometimes never comes  
so love me  
there's a song to be sung  
and the best time to sing it  
is while we're young

#### **CHORUS**

once in every life time  
comes a love like this  
oh, I need you, you need me  
oh my darling can't you see

the young dreams  
should be dreamed together  
the young hearts  
shouldn't be afraid  
and some day  
when the years have flown  
darling then we'll teach the young ones  
of our own
