The moment I wake up
Before I put on my clean suit
I say a little prayer for you
While combin' my hair now
And wonderin' what dress to wear now
I say a little prayer for you

Forever, forever you'll stay in my heart
And I will love you
Forever, forever we never will part
Oh, how I love you
Together, together, that's how it must be
To live without you
Would only mean heartbreak for me

I run for the bus, dear
While riding I think of us, dear
I say a little prayer for you
At work I just take time
And all through my whiskey break time
I say a little prayer for you

Forever, forever you'll stay in my heart
And I will love you
Forever, forever we never will part
Oh, how I love you
Together, together, that's how it must be
To live without you
Would only mean heartbreak for me

My darling, believe me
For me there's no one but you
Please love me too
Answer my prayer
I'm in love with you
Please love me too
Answer my prayer

Forever, forever you'll stay in my heart
And I will love you
Forever, forever we never will part

Oh, how I love you
Together, together, that's how it must be
To live without you
Forever, forever you'll stay in my heart
And I will love you
Forever, forever we never will part
Oh, how I love you
Together, together, that's how it must be
To live without you
Would only mean heartbreak for me
