Let me explain 'bout the one thing that moves me
It's on my mind while I'm talkin' to you
No this or that, there's just one priority
That's all I want, it's the real thing I choose

I want it pure (pure) baby (pure)
No more no less, I'm telling you
I want it pure (pure) baby (pure)
There's just one thing I'm asking you
Alright
I want it pure (pure) baby (baby)
Alright
I want it pure (pure) honey (honey)
Oh yeah

When I'm rockin' there's no semi solution
I want it all, need it full speed ahead
And if you think you're the man with a mission
You better run to keep up with me

I want it pure (pure) baby (pure)
No more no less, I'm telling you, oh oh
I want it pure (pure) baby (pure)
There's just one thing that you can do
Oh yeah
I want it pure (pure) baby (pure)
The real deal in true blue
I want it pure (pure) baby (pure)
There's nothing else I want from you
Yeah
I want it pure (pure) baby (baby)
Come on
I want it pure (pure) honey (honey)
Hey yeah ye

I'm speaking with my heart, here's my soul to see
Let's take it pure then it's fine with me
Truly, real no mix no trick, oh yeah
Hey yeah, I want it pure, baby
I want it pure, alright
I want it pure, so pure

Hey hey

I want it pure (pure) baby (pure)
No more no less, I'm telling you, yea yea
I want it pure (pure) baby (pure)
There's just one thing that you can do
Alright
I want it pure (pure) baby (pure)
The real deal I'm telling you, yeah
I want it pure (pure) baby (pure)
There's just one thing I want from you
I'm telling you
I want it pure (I want it pure baby)
Here's the score
I want it pure (pure) honey (honey)
Hey yeah ye
I want it pure (pure) baby (baby)
I want it pure, this is
Here's the score
I want it pure
