Don't say you're runnin' down to the store
If you're leavin' me one more
Time, cause I'm not gonna hold the door
While you're spreadin' your love 'round

Don't say you'll be back if
You're really goin' in
Cause I don't give a, I don't give a damn

So why don't you walk man (walk man)
Don't talk man (talk man)
Cause I don't wanna hear that noise
Walk man (walk man)
Don't talk man (talk man)
Get your ass outta the door

So why don't you walk man, ooh oh

Someday out here on my front porch
Crying like a lost dog
But you won't have nothing to keep you warm
My arms won't hold you no more

Oh God knows how you feel
Don't pray if it ain't real
Cause I don't give a, I don't give a damn

So why don't you walk man (walk man)
Don't talk man (talk man)
Cause I don't wanna hear that noise
Walk man (walk man)
Don't talk man (talk man)
Get your ass outta the door

Walk man, shut up, shut up, walk man
Walk man, shut up, shut up, walk man, walk man

I told you a thousand times before
In another life you'll get it back threefold

So why don't you walk man (walk man)

Don't talk man (talk man)
Cause I don't wanna hear that noise
Walk man (walk man)
Don't talk man (talk man)
Get your ass outta the door

So why don't you walk man
