I was loving you for way too long
Your love is really starting to stain my heart
Ooh ooh, yeah, ooh ooh
I was blind but now I see
My addiction to the games you played on me
Ooh ooh, ooh yeah, ooh ooh

Cause we all fall
For beautiful lies
From the sweet hello
To the bitter goodbye
And I can't lie
You got me
And I can't lie
You got me (You got me)
Forever

Like a drug that I can't quit
I'd give you everything for one more kiss
Ooh ooh, oh oh oh, ooh ooh
You put the flame to my finger twice
Even with this burns I still don't learn
Ooh ooh, oh oh oh, ooh ooh

Cause we all fall
For beautiful lies
From the sweet hello
To the bitter goodbye
And I can't lie
You got me
And I can't lie
You got me (You got me)
Forever

You got me forever
No I can't get enough of all your lies
And the love you gave to me
I want more

Cause we all fall
For beautiful lies

From the sweet hello
To the bitter goodbye
And I can't lie
You got me (You got me)
And I can't lie
You got me (You got me)
Forever

You got me
You got me
Forever
