steam slowly builds up nowbetween my ears there is
fog now-the soothing sounds of your shower make my
life this hour-I guess I must have messed it upI guess I
must have messed it upI guess I must have messed it
upwhen I gave you the ladyshave-your heart's a
pumping bassand I like thatmy heart is missing
paceand I like that-a ladyshavel can see nowa
ladyshavenow I know hownow I know-I guess I must
have messed it upI guess I must have messed it upI
guess I must have messed it upwhen I gave you the
ladyshave-a lay a lay a lay a ladyshavel can see
nowthat to do to do to do the ladyshave needs a know-
how-I guess I must have messed it upI guess I must
have messed it upI guess I must have messed it
upwhen I gave you the ladyshave
