I don't mind if you leave here tomorrow
If I can hold you tonight
Emptiness in the garden of want
If I can hold you tonight

'Cause I've been listening to the radio
And it's been telling me to be alone
But now I'm singing out they're on there own

Simple song

Please don't ask me why I feel afraid
Take these thoughts and feelings to the grave
Let us laugh and cry and solely sing

Simple song
Prove me wrong

Sleep tonight on a bed made of promise
Let your hope be your light
Dream tonight let each breath fill the darkness
And your love is your light

'Cause I've been listening to the radio
And it's been telling me to be alone
But now I'm singing out they're on there own

Simple song

Please don't ask me why I feel afraid
Take these thoughts and feelings to the grave
Let us laugh and cry and solely sing

Simple song
Prove me wrong

Yeah I've been listening to the radio
And It's been telling me to be alone
But now I'm singing out they're on there own

Simple song

Please don't ask me why I feel afraid
Take these thoughts and feelings to the grave
Let us laugh and cry and solely sing

Simple song
Prove me wrong

Autumn nights see the tree's they are turning
While I hold you tonight
