You can spend your whole life building.
Something from nothing.
Then one storm can come and blow it all away.
Build it anyway.

You can chase a dream.
That seems so out of reach.
And you know it might not ever come your way.
Dream it anyway.

[chorus]
God is great, but sometimes life ain't good.
And when I pray, it doesn't always turn out like I
think it should; but I'd do it anyway...I'd do it anyway.

This world's gone crazy, and its hard to believe,
that tomorrow will be better than today, believe it
anyway.

You can love someone with all of your heart, for all the
right reasons.
Then in a moment they can choose to walk away, love
them anyway.

God is great, but sometimes life ain't good.
And when I pray, it doesn't always turn out like I
think it should; but I'd do it anyway...yeah I'd do it
anyway.

You can pour your soul out singing, a song you believe,
that tomorrow they'll forget you ever sang.
Sing it anyway. Yeah sing it anyway...yeah yeah.

I'd sing, I'd dream, I'd love...anyway
