I know its all go, but the crowds dying down
Could you spare just a little more time?
Open up your mind, your opinion does matter
Its gunna help me to unwind

Can't you see that im waiting, yeah yeah
For your love, for you love
Can't you see that im waiting, yeah yeah
Waiting for it

When you walked on by, with your head held high
It's no wonder you've, ever seen me cry
At the end of the day, with no words left to say
Just stop and say hello

Can't you see me hidin, from these tears of mine
Don't pretend that you can't see me
As far as you're concerned, im doing fine
How do you get off so easy?

Can't you see that im waiting, yeah yeah
For your love, for you love
Can't you see that im waiting, yeah yeah
For your love, for you love
Can't you see that im waiting, yeah yeah
For your love, for you love
Waiting for it

Why's it such a problem,
To recognise that im here (Im falling slowly falling)
Just give me a minute or to,
It would mean so much my dear (my heart is slowly
breakin)
I've gotta question, was it you?
Or was it me? (Don't pretend that you can't see me)
It seems you're not bothered,
Should I move on and let you be? (How do you get off
so easy?)

Can't you see that im waiting, yeah yeah
For your love, for you love

Can't you see that im waiting, yeah yeah
For your love, for you love
Can't you see that im waiting, yeah yeah
For your love, for you love
Can't you see that im waiting, yeah yeah
For your love, for you love
Waiting for it

Can't you see that im waiting, yeah yeah
For your love, for you love
Can't you see that im waiting, yeah yeah
For your love
Waiting for it
