I'll sing myself a lullaby
It's all I've got
To get me to sleep at night

And I'll dream of you
And I'll hope
That you just might

Make me feel how I used to
The feelings I'm used to
The feeling of feeling so strong
We went from taking on mountains
To pulling each other down
I don't know what to do

I'm a sinking ship on a raging sea
And I need you here to come rescue me
I'm not strong enough on my own
Your arms are the closest thing I've got to home
And I know we're breaking to work it all out
And it's too late to fix this now

I know I'll shed a tear or two
Or enough to fill
This empty place

And I know
One day I'll smile again
As long as I mask what I won't erase

I'm making up steps
To the dance as I go
A step forward for every three back
And now I've fallen to pieces
Can't put up a fight
My sanity slipped through the cracks

I'm a sinking ship on a raging sea
And I need you here to come rescue me
I'm not strong enough on my own
Your arms are the closest thing I've got to home

And I know we're breaking to work it all out
And it's too late to fix this now

(I'm a sinking ship)
I'm sailing away
(On a raging sea)
Sailing away
(And I need you here)
I can't take the days
I can't fight the pain
(To come rescue me)
Got no more to say
And I'm sailing away

I'm sailing away.
