I'm not strong enough  
To hold my ground anymore  
My legs are too weak  
To hold me off the floor  
And I ask myself why  
I couldn't just fight  
For one more night  
It'll all be alright

Walking past the ghosts  
Of happy yesterday  
A taste of one last smile  
Is just a step away now

I'll close my eyes  
As the last song starts to sing  
As I slip away  
I'll hear my freedom ring  
I'll stand by your side,  
I'm not going anywhere  
I'll just be out of sight  
Just a whisper in the air

I'm not quiet enough  
To hide my cries  
I don't have the motivation  
To change what I despise  
Can't look in the mirror  
And change what I see  
Now the glass is shattered  
Cutting into me

Pushing through the ghosts  
Of smiles I once knew  
And the one thing I accomplished  
Was what I never meant to do

I'll close my eyes  
As the last song starts to sing  
As I slip away  
I'll hear my freedom ring

I'll stand by your side,  
I'm not going anywhere  
I'll just be out of sight  
Just a whisper in the air
