Look me in the eye  
when you tell me you don't love me  
it'll help you feel the pain you're trying to ignore  
I'm not afraid to die  
but I'm scared to death I'll lose you  
your fragrance slowly fades from my shoulder

is this what love feels like?  
when it's over  
I wish to god I didn't know  
I wish to god I didn't care  
is this what blood feels like?  
when it runs colder  
I wish that I could sleep  
I wish that I was hers

and so this is goodbye  
my heart tells me it's over  
the drive helps ease the pain  
I wish that god was closer  
resolved to say goodbye  
so don't try me

I want your love  
not your pity

is this what love feels like?  
when it's over  
I wish to god I didn't know  
I wish to god I didn't care  
is this what blood feels like?  
when it runs colder  
I wish that I could sleep  
my speed is my defeat

they say time heals all  
and that may ring true for some  
but they haven't felt your blade

is this what love feels like?  
when it's over

I wish to god I didn't know  
I wish to god I didn't care  
is this what blood feels like?  
when it runs colder  
I wish that I could sleep  
I wish that I was hers
