She's a bopper man

A bopper girl with bopper friends  
On her bop phone making bopper plans  
Watch as she doin her bopper dance  
Man there's so many boppers I just can't count  
Caught her out on the avenue spending large amounts  
Used to rock a gold chain with a grill in her mouth  
Got a big ass booty like she was from down south  
In and out every club or pub cuz she got love at the  
door  
Is that girl a bop?  
And there she go  
Everyshow every new hot spot?  
And there she go  
Got a bops mentality with short bop hair  
In them bop ass jeans be boppin it everywhere  
Can't take her nowhwere new cuz she already been  
there did that  
Graduated from a hood rat to a bonefide head doctor  
Man

She's a bopper.

Â

Ima tell you how to spot a bopper a bopper girls got  
bop-binoquars  
A trendy store bought purse but not hers  
And all of the hot gossip she got first  
But I aint tryna hate cuz her head games proper  
Jocker after jocker tryna knocker  
The loftier the offer now ya got her  
Na she's not a gold digger  
She's a bopper  
And a bop doesn't bop for doe  
She bops for the love of the bop the plugs and the  
spotlite  
Hugs in the parking lot like she like  
If he poppin right she boppin day or night  
Pop till the wheels fall off  
Bop till them heels fall off  
She cops the pills then she's off

A minute later she pops the pill then she's off  
But if you aint got it then all deals are off.  
Â  
She's a bopper
