Her darkness grows
In fields of loneliness
Every breath, as cold as ice
Where lies the truth
Painted black
Searching for some light to lead you back

Always the sun after all
Always the sun like a great big wall
Give me hope
Shops animic
Always the sun to distract the coin
Always the sun to turn you wild
Always

Her darkness grows
In fields of loneliness
Every breath, as cold as ice
Where lies the truth
Painted black
Searching for some light to lead you back

Always the sun after all
Always the sun like a great big wall
Give me hope
Shops animic
Always the sun to distract the coin
Always the sun to turn you wild
Always

Always the sun after all
Always the sun like a great big wall
Give me hope
Shops animic
Always the sun to distract the coin
Always the sun to turn you wild
Always

Always the sun after all
Always the sun like a great big wall
Give me hope
Shops animic

Always the sun to distract the coin
Always the sun to turn you wild
Always
