[vers]

Dear mama I miss you so
I just wrote to let you know
Those senioritas know their way around the dancefloor
But I can't stay here anymore
Burning andelusian son
Telling me I don't belong
I've been dancing, sweating making love into the
nights
You can see it in my eyes

[ref]

I've been taking a gun to my head
I've been sleeping with medusas in my bed
I've been singing this song that we sang
Back home
I've been hanging with a bad bunch just that night
I've been roaming in the streets by the city lights
I've been singing the songs that we sang back home

[vers]

Don't you worry about me please
Never felt this got damn free
Putting my life on the edge is what I wanna do
See you back home I love you so

I've been taking a gun to my head
I've been sleeping with medusas in my bed
I've been singing this song that we sang
Back home
I've been hanging with a bad bunch just that night
I've been roaming in the streets by the city lights
I've been singing the songs that we sang back home

Those senioritas know their way around the dancefloor
But I can't stay here anymore
