Our hometown is covered in blood
I've seen it, down in the allies
Dripping from the drains
Streetpreachers speak of our names
Great tales of fortune and fame now honey
So ride with us
And make all your dreams come true
or let them go
and become one of the few
or one in the row

We are the sons of kings and queens
oh oh oh oh
And we are biblical but we don't know what it means
We are erotic prodigies with broken hearted dreams
So follow me
And be a cold heart Sex Drug

A cold heart Sex Drug

Our hometown is covered in dirt
I feel it, I like when it hurts
Like sex drugs makes me go
So tell me, What do you know
How deep the rabbit hole goes
Oh my god, so die with us
And make all your dreams come true
Let them go
And become one of the few
Or one in the row

We are the sons of kings and queens
oh oh oh oh
And we are biblical but we don't know what it means
We are erotic prodigies with broken hearted dreams
So follow me
And be a cold heart Sex Drug

When you lost your mind
And I thought you knew
When you said goodbye

And make all your dreams come true

We are the sons of kings and queens

oh oh oh oh

And we are biblical but we don't know what it means

And while we're spreading our disease

You worship us like priests

So follow me

And be a cold heart Sex Drug

A cold heart Sex Drug

A cold heart Sex Drug
