Vers 1:

You can laugh all you want  
When I'm walking down the hall  
Cause mama always tells me  
That I'm better than you all  
You're just shells in the classroom  
With your pretty faces on  
But I'm the pretty one yeah?  
One day I'll be gone cause I  
Got a brave young heart and my black leather tie  
Gotta shoot for the stars yes i'm gonna try

Vers 2:

Locked up in my room  
Systematic calculations  
A perfect plan for the boy who knew  
About the end of his frustration  
I got my shades and my leather gloves  
I put my shining helmet on  
I gotta hunt you down someday  
And show you you were wrong cause I  
With my brave young heart and my black leather tie  
Gotta shoot for the stars yes i'm gonna try
