Have a meal, avoid a fight  
Talk about the other night  
When love was out of sight?  
So you wanna make it up to me  
Show me what a man you can be?  
But I'm sorry, not tonight 'cos the girls are going out  
You see, the girls are going out  
Chorus  
It's just a girls night out  
We'll have fun and scream and shout  
It's time for us to have a night  
Without a man or boy in sight  
It's just a girls night out  
We can dance and sing out loud  
Not a man or boy in sight  
A girls night out, oh, what a night  
My daddy rang again today  
He's trying hard, he's been away  
So he turned up after all this years  
I did not show him any tears  
He wants to take me out tonight  
And start again, I think he's right  
I'm sorry, daddy, not tonight the girls are going out  
You see, the girls are going out  
Repeat chorus  
It's just a girls night out  
Na, n-n-nah, na, n-n-nah  
It's just a girls night out  
Na, n-n-nah, na, n-n-nah  
It's just a girls night out  
Na, n-n-nah, na, n-n-nah  
It's just a girls night out  
Na, n-n-nah, na, n-n-nah  
Ah, are we ready to come back together? (Yeah)  
Black girlfriend, white girlfriend  
Will our friendship last forever? (Yeah)  
Brown girlfriend, yellow girlfriend  
And we'll always have a reunion (yeah)  
Cool girlfriend, male girlfriend  
When we're married and cooking an onion (yeah)  
Your girlfriend is my girlfriend

Repeat chorus twice  
It's just a girls night out  
Na, n-n-nah, na, n-n-nah  
It's just a girls night out  
Na, n-n-nah, na, n-n-nah  
It's just a girls night out  
We can dance and sing out loud  
It's just a girls night out  
We'll have fun and scream and shout, yeah
