Oo yee yee

Iâ€™ve tried confessin' all thatâ€™s been on my mind
â€™aint right cause it eats my up every day and night
Oh, I'd plead insanity if it would help
To have you endlessly all to my self
Just tell me why my lips won't move
When I should confess the truth

That you're all I'm dreamin' of
Baby youâ€™ll never now
All I need is love
Darling itâ€™s criminal
How I spend my time
Baby youâ€™ll never know
Youâ€™ve been on my mind
Itâ€™s criminal

Why do I keep usin' these alibis?
Tonight I tell my heart I might not run and hide
Oh, I'd plead insanity if it would it help
To have you endlessly all to my self
When I should confess the truth

That you're all I'm dreamin' of
But baby youâ€™ll never now
All I need is love
Darling itâ€™s criminal
How I spend my time
Baby youâ€™ll never know
Youâ€™ve been on my mind
Itâ€™s criminal

You donâ€™t know that I love you
You donâ€™t know I love you
You donâ€™t know that I love you
You donâ€™t know I...
Baby I love you!

You're all I'm dreamin' of
But baby you'll never know

All I need is love
Darling it's criminal
How I spend my time
Baby you'll never know
You've been on my mind
It's criminal
