Singarela, singarela

Meile Å¼iba tavo akys - Your eyes are shining with love
Ar todÄ—l Å¼irdis apsalo - Because of that my heart melts
Ir kasnakt paÅ¼Ä—lus plaka - And beats like crazy every night
Singarela, singarela

Singarela, singarela

PalieÄ—iu ir virpa rankos - I touch and my hands are shaking
Nuo aistros, nuo meilÄ—s gaisro - Because of passion and love fire
VÄ—l Å¼irdis audringai tramdos - My heart commands wildly again
Singarela, singarela

Priedainis:

Stygos lyg Ä—igono meilÄ— - The strings (of music instrument) are like love of the gipsy
Lig auÅ¼ros skambÄ—s aistringai - They (the strings) will sound appassionato till the dawn
Ir skambÄ—s per naktÄ— dainos - And the songs will sound during the night
MÄ—s Ä—s aistrai nuodÄ—mingai - For our sinful passion

Nors ne jaunas, bet laimingas - Although I am not young but I am happy
Mano varpas dar galingas - My bell is still powerful
Kai Å¼alia jauna Ä—igonÄ— - When young zingara is near
Meilei jis neabejingas - It is not impassive for love

Singarela, singarela

Ä—ju buÄ—iuoju tavo kÄ—nÄ—... - I am kissing your body
UpÄ—m liejasi Å¼ampanas
Trankosi keiksmu perkÄ—nai - Lightnings are thundering
Singarela, singarela
