I've been meaning to tell you,  
I've been trying to tell you for so long,  
Didn't know how to face you,  
To cough this off.

Was it consideration,  
Or shown a sense of a weakness on my part,  
Was I open to finally,  
Hear my heart.

Am I patient for nothing?  
Why can't you show me a little sympathy?  
Tell me something is coming  
Please,

Just a word from you to hold on to,  
Before the night is gone,  
Can't you see we're living on the run.  
Baby close your eyes to realize,  
Before it comes undone  
Can't you see we're living on the run.  
Oh oh, living on the run  
Oh oh, living on the run

And babe you're a stranger  
That's how it feels another better (?),  
No you're not sleeping baby  
But don't pretend.

And now it seems like I'm screaming,  
I cry now out but I cannot hear a sound,  
(?) as I am,  
Pull me now.

Am I patient for nothing?  
Can't you show me a little sympathy?  
Tell me something is coming  
Please,

Just a word from you to hold on to,  
Before the night is gone,

Can't you see we're living on the run.  
Baby close your eyes to realize,  
Before it comes undone  
Can't you see we're living on the run.  
Oh oh, living on the run  
Oh oh, living on the run

Why are we wasting all this time?  
Who needs another love tonight?

Just a word from you to hold on to,  
Before the night is gone,

Just a word from you to hold on to,  
Before the night is gone,  
Can't you see we're living on the run.  
Baby close your eyes to realize,  
Before it comes undone  
Can't you see we're living on the run.  
Oh oh, living on the run  
Oh oh, living on the run  
Oh oh, living on the run  
Oh oh, living on the run
