Just break it down,  
Just break it down,  
Just break it down, down, down, down, down,  
Just break it down,  
Just break it down,  
Just break it down, down, down, down,

INTRO:

So DJ break it down  
We just trying to live it up  
Tonight we wanna feel the rush, feel the rush  
We about to go insane  
Everybody's getting loud  
So party people get 'em up  
Hands up

HOOK:

Everyone get up  
We gonna rock this town tonight  
Let's turn it up, Turn around,  
And break it down, down, down, down, down  
Let's turn it up and break it down.

Everyone get up, Get loud  
Yea it's time to rock the town tonight  
Let's turn it up, Turn around,  
And break it down, down, down, down, down  
Let's turn it up, Turn around and break it down

VERSE:

Hey come an break it down with your boy JMidd  
I'm'a introduce you to the live I live  
I keep it clean, But I get real hype  
And all I've needed was my mic.  
I'ma get em fired up like gasoline  
I keep the party jumping like a trampoline  
I'll go all day and all night long  
Hey DJ play my song.

PRE-HOOK:

So DJ break it down  
We're just trying to live it up  
Tonight we wanna feel the rush, feel the rush  
We about to go insane  
Everybody's getting loud  
So party people get em up  
Hands up

HOOK:

Everyone get up  
We gonna rock this town tonight  
Let's turn it up, Turn around,  
And break it down, down, down, down, down  
Let's turn it up and break it down.

Everyone get up, Get loud  
Yea it's time to rock the town tonight  
Let's turn it up, Turn around,  
And break it down, down, down, down, down  
Let's turn it up, Turn around and break it down

BRIDGE:

Ok we breaking it down  
Everybody with me living it up  
And the 808 makes the speakers bump  
Let me see everybody JUMP, JUMP!

Ok We breaking it down  
Everybody with me living it up  
And the 808 makes the speakers bump  
Let me see everybody JUMP, JUMP!

Let me see you JUMP, JUMP  
Hear the speakers BUMP, BUMP  
We breaking it DOWN, DOWN  
Shaking up the whole Town

Cause the place is here the time is now  
And everybody in the building let me see you break it  
down

Just break it down,  
Just break it down,  
Just break it down, down, down, down, down,  
Just break it down,  
Just break it down,

Just break it DOWN

HOOK:

Everyone get up  
We gonna rock this town tonight  
Let's turn it up, Turn around,  
And break it down, down, down, down, down  
Let's turn it up and break it down.

Everyone get up, Get loud  
Yea it's time to rock the town tonight  
Let's turn it up, Turn around,  
And break it down, down, down, down, down  
Let's turn it up, Turn around and break it down

OUTRO:

Down Down Down Down Down  
Down Down Down Down

Down Down Down Down Down  
Down Down Down Down
