We winning like Charlie
Don't believe me watch me prove it
Watch me do my thang. Everyone amazed by the way I
ride
Yea they say I'm so well rounded yea I'm so 285
I'm, always chasing paper turn a hater into vapor
I'm a take over the world, Take over like a dictator

I get so high but I stay sober
I don't curse, smoke, drink and I'm still gonna take over
I ain't ever falling back
Always moving forward motion now it's going down
Landslide, yea I call that erosion
Now my future's shining bright

Like them lights on friday nights
I'ma take over the world
Matter fact I'm gonna do it twice
And I'ma rise and I'ma shine
And nobody can stop em (stop em)
You can call me Batman and Atlanta is my Gotham
(GOTHEM)

You know I'm gonna rise I ain't ever coming down
The take over is world wide How you like me now?
Just stickin' to my grind, if I do that then I'm gonna be
fine.
