Let me see what you wanna see
Let me feel what you wanna feel
I will let in the life so you can breathe

You can be what you wanna be
You can live all you wanna live
Every morning can be a bright new day
Cause

Chorus:
In my world it's beautiful to wake up
Yes in my world it's beautiful to get out
Yes it's our world and it's beautiful
Yeah

I can touch when you need a touch
I will love when you need some love
And we can be what we always hoped we could be
Cause

Chorus:
In my world it's beautiful to wake up
Yes in my world it's beautiful to get out
Yes it's our world and it's beautiful
Yeah
