[Missy]

Yes

You have just entered

The year 2000

And they've just arrived

Ready to take us outer space

To another planet

Where there's only one club

And one disco, ooh

And they wanna show us how

Heh heh, they boogie, uhh

[Lil' Mo]

Got a strange call from a girl

In the midst of the night, uh huh

She said you better call your man

Cause he sleepin' right here tonight

So I put on my coat

And my hat and then put on my shoes, yeah yeah

I said bitch don't you move

Cause I'll be seeing you soon

It only took me

Chorus

In five minutes, I was knockin' at the door

In two minutes, I had her on the floor

In one minute, I was fightin' wit' my man

Yes I did it, and I told his tail to scam

In five minutes, I was knockin' at the door

In two minutes, I had her on the floor

In one minute, I was fightin' wit' my man

Yes I did it, and I told his tail to scam

[Lil' Mo]

Saw a few scratches on my car

Just the other day, yeah yeah yeah

Neighbor around my way

Said she saw you drivin' away

So I put two together

And I found myself ready to go, whoa whoa
Before she even knew it
I was comin' down the road
It only took me

Chorus

In five minutes, I was knockin' at the door
In two minutes, I had her on the floor
In one minute, I was fightin' wit' my man
Yes I did it, and I told his tail to scam

In five minutes, I was knockin' at the door
In two minutes, I had her on the floor
In one minute, I was fightin' wit' my man
Yes I did it, and I told his tail to scam

Bridge

Be a hoe
I'm kickin' you up out the door
I hope you know
Like Coolio, you gotta go
Don't even think
I'm gonna let you hang around
Got your drawz down
Lookin' stupid like a clown

Be a hoe
I'm kickin' you up out the door
I hope you know
Like Coolio, you gotta go
Don't even think
I'm gonna let you hang around
Got your drawz down
Lookin' stupid like a clown

Chorus

In five minutes, I was knockin' at the door
In two minutes, I had her on the floor
In one minute, I was fightin' wit' my man
Yes I did it, and I told his tail to scam

In five minutes, I was knockin' at the door
In two minutes, I had her on the floor
In one minute, I was fightin' wit' my man
Yes I did it, and I told his tail to scam

In five minutes, I was knockin' at the door
In two minutes, I had her on the floor

In one minute, I was fightin' wit' my man
Yes I did it, and I told his tail to scram

In five minutes, I was knockin' at the door
In two minutes, I had her on the floor
In one minute, I was fightin' wit' my man
Yes I did it, and I told his tail to scram

Freaky freaky
Freaky freaky
Yes, eh heh
It's the year 2000
And they will be back
To take us to outer space
To their planet
Where there's only one club
Where there's only one disco
And you know what they wanna show us
Ooh, you know what they wanna show us
How they boogie (yo, yo, yo)

[Lil' Mo]
Yo, don't know what they told you, but
They done told you wrong
Bet I go back and tell 'em again
And make sure you here it all
Don't come up in my Mellinium talkin' bout
Girl, this my song
If you don't know how to bounce to this
Then try to play it off
It's just like a movie, everybody wanna see
In the 2 G, how she dress like me
They say "Who's she?", she's fly as can be
Got a groupie, off a hoochie
I got lucci, mad cheese in the bank
And my crew be, straight flossin' wit' me
Even Hootie, wanna Blow like me
Heard he wanna be a Lil' mo like me, what

[Missy]
Uh, uh uh uh, uh uh uh
Check it out now, uh uh uh, uh uh uh uh
Break it down now, uh uh uh, uh uh uh uh
Ah heh he
