There will be glory after this; There will be victory after this

God will turn it around, he will bring you out

There will be glory after this

## Chorus2

There will be glory after this; There will be victory after this

God will move for you, give him the praise he's due

There will be glory after this

God will move in your situation

He will heal when the doctor's give you up

He provides in the midst of recession

Have faith in him, he'll come through

God specializes in things impossible

He loves to move when all hope is lost

Just so he can show himself strong in your behalf

Don't give up, he'll come through for you

There will be a praise after this; There will be joy after  
this

There'll be a testimony after this; There'll be glory after  
this
