Say Yeah by Jaba & Yves Larock
Run every day every time you got to run
Too much fast too much stress where is the fun
We want peace and unity so put down your gun
So many cloudy days we need more sun a brighter day
Sadness and sorrow you got to let them go

When people say no no no I really want to say yeah
yeah yeah
When you feel low low low low wait for a brighter day
day day day
No no no
Yeah yea yea
Day day day

Run life is short my friend
So why we run if you hurry too much there is no fun
Stop the violence people put down your gun
If your face is shining like the sun
A brighter day sadness and sorrow
You got to let them go

When people say no no no
I really want to say yeah yeah yeah
When you feel low low low low wait for a brighter day
day day day
No no no
Yeah yea yea
Day day day

If you're feeling low or people tell you no no no
Don't be afraid to show and sing with me just owowow
When people say no no no
I really want to say yeah yeah yeah
When you feel low low low low wait for a brighter day
day day day
When people say no no no
I really want to say yeah yeah yeah
When you feel low low low low
Wait for a brighter day
