So close your eyes for that's a lovely way to be
Aware of things your heart alone was meant to see
The fundamental loneliness goes
Whenever two can dream a dream together
You can't deny
Don't try to fight the rising sea
Don't fight the moon the stars above
And don't fight me
The fundamental loneliness goes
Whenever two can dream a dream together
When I saw you first the time was half past three
When your eyes met mine it was eternity
By now we know the wave is on it's way to be
Just catch the wave don't be afraid of loving me
The fundamental loneliness goes
Whenever two can dream a dream together
So close your eyes for that's a lovely way to be
Aware of things your heart alone was meant to see
The fundamental loneliness goes
Whenever two can dream a dream together
You can't deny
Don't try to fight the rising sea
Don't fight the moon the stars above
And don't fight me
The fundamental loneliness goes
Whenever two can dream a dream together
When I saw you first the time was half past three
When your eyes met mine it was eternity
By now we know the wave is on it's way to be
Just catch the wave don't be afraid of loving me
The fundamental loneliness goes
Whenever two can dream a dream together
Together, together, together
