I don't care what you say, I don't care what you do
You mean nothing to me, I got nothing to prove

I don't care...
I don't care...

What you say, what you say, what you say...
I don't care...

Lose all control
When you're not here
The air is so cold
Where you appear
Don't care what you say,
Don't care what you do
Cause in my own way
I got nothing to prove

I don't care...

What you say, what you say, what you say...
I don't care...

I don't care what you say, I don't care what you do
You mean nothing to me, I got nothing to prove
I don't care...
