Met you by surprise  
I didn't realize that my life would change forever  
Saw you standing there didn't know I care  
There was something special in the air  
Dreams are my reality the only kind of real fantasy  
Illusions are a common thing  
I try to live in dreams it seems as if it's meant to be.  
Dreams are my reality a different kind of reality  
I dream of loving in the night and loving seems all right  
Althought it's only fantasy.  
If you do exist, honey don't resist  
Show me a new way of loving  
Tell me that it's true, show me what to do  
I feel something special about you.  
Dreams are my reality, the only kind of reality  
Maybe my foolishness is past and may now at last  
I'll see how the real thing can be  
Dreams are my reality, a wondrous world where I like to  
be  
I dream of holding you all night  
And holding you seems right  
Perhaps that's my reality.  
Met you by surprise, didn't realize  
That my life would change forever  
Tell me that it's true, feelings that are new  
I feel something special about you.  
Dreams are my reality, a wondrous world where I like to  
be  
Illusions are a common thing  
I try to live in dreams althought it's only fantasy  
Dreams are my reality, I like to dream of you close to  
me  
I dream of loving in the night  
And loving you seems right  
Perhaps that's my reality
