You, I'm feeling lost in front of you  
I really think it's something new  
I'm feeling insecure with you  
My love

You, could make me happy in the rain  
I'll stand outside your window pane  
Then I'll wait for you to show

I'm in love, I'm in love  
In a very foolish way  
I'm in love, I'm in love  
Even if it lasts a day

I'm in love, I'm in love  
But she didn't want to stay  
Oh, my life can keep on going  
But it will not be the same  
Than with your love

Sad, I think I've lost you now for good  
If anything to try I would  
I keep on thinking I'm a fool

You, I tried as many things I could  
I'd like to be made out of wood  
And wouldn't feel the bitter taste

I'm in love, I'm in love  
In a very foolish way  
I'm in love, I'm in love  
Even if it lasts a day

I'm in love, I'm in love  
But she didn't want to say  
Oh, my life can keep on going  
But it will not be the same

I'm in love, I'm in love  
In a very foolish way  
I'm in love, I'm in love

Even if it lasts a day

I'm in love, I'm in love  
But she didn't want to say

Oh, my life can keep on going  
But it will not be the same  
Than with your love

When I'm in love,  
When I'm in love.
