Miss you girl I miss your smile  
Loved you just the way you are  
I can't believe that you are gone  
I guess I will have to move on

Since things didn't work out between us  
We were like kind of killing each other  
Don't know if it's necessary  
But I think I'm gonna have to say this

We're not gonna be friends, not anymore  
Not gonna hate you, but you have to know  
It isn't easy, It's not gonna be  
Part of me says I will have to believe

Someday I'll find a girl  
Someday I'll laugh it out  
Someday I'll say I'm fine  
Someday I'll wish you the best

Someday I'll wish you the best

Since things didn't work out between us  
We were like kind of killing each other  
Don't know if it's necessary  
But I think I'm gonna have to say this

We're not gonna be friends, not anymore  
Not gonna hate you, but you have to know  
It isn't easy, It's not gonna be  
Part of me says I will have to believe

Someday I'll find a girl  
Someday I'll laugh it out  
Someday I'll say I'm fine  
Someday I'll wish you the best

Someday I'll wish you the best

Miss you girl I miss your smile
