I'm going away to leave you, love  
I'm going away for a while  
But I'll return to you sometime  
If I go ten thousand miles

### CHORUS

The storms are on the ocean  
And the heavens may cease to be  
This world may lose its motion, love  
If I prove false to thee

Oh who will dress your pretty little feet  
And who will glove your hands  
And who will kiss your rosy cheek  
When I'm in a faraway land

### CHORUS

Oh Poppa will dress my pretty little feet  
And Momma will glove my hand  
And you will kiss my rosy cheek  
When you return again

### CHORUS

Oh have you seen those mournful doves  
Flying from pine to pine  
Mourning for their own true love  
Just like I mourn for mine

The storms are on the ocean  
And the heavens may cease to be  
This world may lose its motion, love  
If I prove false to thee  
If I prove false to thee
