I'll Trust You Oh God
Your ways, I'll Always depend
it's by your grace I'm here today
That's why I sing Your Praise

I'll Trust You, Lean and Depend on YOU
Everyday, walk by faith
Only Trust in Your Word

You rescued me from my enemies
You calmed my fears
And Dried my Tears
You made a way, out of no way
That's why I sing Your Praise

I'll Trust You
