There's snow
Everything is white
Out of each window
Shines a friendly light
Big tree
Is up in the square
The sound of children's laughter everywhere

Christmas in my hometown
Christmas in my hometown
Raise your spirits on up
Let the party go down
It's christmas in my hometown

They smile
All the people you meet
Sally army band
Playing in the street
Santa's there
In a funky red hat
He comes tomorrow
And kids are glad about that

Christmas in my hometown
Christmas in my hometown
Raise your spirits on up
Let the party go down
It's christmas in my hometown

In the square a choir is singing
Songs we love to hear
Skater's skating
Family's waiting
December twenty-fifth is near

So run
Take a bus or train
It's crowded now
But don't complain
There are friends
Who are waiting for you

With love to last
The whole year through

Christmas in my hometown
Christmas in my hometown
Raise your spirits on up
Let the party go down
It's christmas in my hometown
