It's been a tough day  
Like a week of mondays  
And now things are  
Gonna get crazier still  
With the givin' and the gettin'  
Of the holiday season  
If the traffic don't kill ya  
The damn shopping sure will

Flag me a taxi  
Hell, I'll take santa's sleigh  
And fly over rooftops  
The old fashioned way  
Drop into the bar  
Just like ole' st. nick  
With a cute little elf  
And some spirits that kick

Jack's in the house  
Let the party get started  
Strike up the band  
Let the boozin' begin  
Hey bartender  
I'll have the usual  
One blonde one brunette  
Some burbon some gin

Jack's in the house  
Let the party get started!

Jacks' in the house  
Let the party get started!

There ain't nothin'  
Like a hot band  
Burning up the room  
Rhythm groovin'  
Horn blowing the tunes  
No matter how stressed  
Ya get the rest of the year  
You'll have a be-boppin time

Filled with holiday cheer

Jack's in the house  
Let the party get started  
Strike up the band  
Let the boozin' begin  
Hey bartender  
I'll have the usual  
One blonde one brunette  
Some burbon some gin
