Sometimes i feel i don't fit in and its such a struggle  
i'm on the outside can't get in and it should be tearing  
me apart  
but i got a plan that you don't see. i'm making it happen  
i'm on my road to destiny and this is what's coming  
from my heart

(Bridge)

and you know its clear to me that i am free to be  
Who i am. When i want.

(Chorus)

FLY! (You won't see me wishin on a star)  
You see me FLY! (You won't see me wishin on a star)

You think that you know me but you don't and that's just  
your problem.

When i say i can, you say i won't but i'm past the point  
of caring.

I play the part i play the game and one things for  
certain

Everybody's gonna knowmy name  
Coz this is whats coming from my heart

(Bridge)

(Chorus)
