Can't believe this is happening
I wanna shout it to the world
I don't want for anything
This is my diamond,
This is my pearl.

I can take the world off your shoulders
Throw your troubles to the wind

I can see the sun shining bright
I'm gonna make it alright
YES I am

You are like a star in my night
I'm gonna' make it alright
YES I am!

I'm not gonna sit and wait
This is a promise that I will not brake
Cause what's the point, if you're not here
You're my angel, Yes it's clear

That I can take the world off your shoulders
Throw your troubles to the wind

I can see the sun shining bright
I'm gonna make it alright
YES I am

You are like a star in my night
I'm gonna' make it alright
YES I am!

I always remember the way that you'd sing to me
Loving you while you were holding making me feel like
Everything, is alright!

I aint gonna play with your feelings
Or make you feel like your were dealing someone
That doesn't believe in your Love

I CAN SEE THE SUN SHINING BRIGHT!
I'm GONNA MAKE IT ALRIGHT!
YES I am!

AND YOU ARE LIKE A STAR IN MY NIGHT!
I'm GONNA MAKE IT ALRIGHT
WE'RE GONNA, WE'RE GONNA WE'RE GONNA

MAKE ITTT!
YOU AND HALF THE STARS SHINING
IN MY NIGHT
YOU'RE RIGHT

You are like a star in my night
I'm gonna make it alright
YES I AMMMMMM
