"Glorious"

Visit "[Glorious](#)" on MotoLyrics.com

Silence starts, you're moving too fast
Out of the dark, close to the end
Burn far too bright, out goes the light
Back in the dark, too broken to mend

I'm taking us too hard won't sleep tonight
I put up a fight, put up a fight
You say that we almost had it all
But I will never break your heart

[Chorus:]

We are glorious, together we glow in the dark
I am speechless, oh, oh, oho
We are glorious, together our love's gonna spark
I am speechless, oh, oh, oho

[Repeat Chorus]
