Kan wei lan de tian kong you xing fu de cai hong  
Looking at the azure sky, there is a happy rainbow

Shi shu yu ni he wo bian ji de meng  
It is the dream that you and I have woven

Qing qing cheng zhe feng tian mi de ao you  
Lightly riding the wind to sweetly roam

Qing chun de meng xiang shou zhong jin wo  
Youth's dream is held tightly within the hand

Bu pa gu dan ji mo, bu pa lei shui zhui luo  
Not afraid of loneliness, not afraid of tears falling

Wo yao fei yue shi jie yong gan de cheng nuo  
I want to fly over the world to bravely promise

Jian chi zui chu de meng  
To persist with the initial dream

Xing fu zai zhuan jiao deng hou  
Happiness is waiting at the corner

Qi se de cai hong dian ran xin zhong ji dong  
The seven-colored rainbow ignites the throbbing in the heart

Shan yao de meng zhao liang ni he wo  
The glittering dream shines on you and me

Hua cheng xing fu de cai hong  
Transforming into a happy rainbow

Zhang kai chi bang tian di ren wo feng yong  
Spread your wings, I have free rein of surging through heaven and earth

Chuan yue jue wang jian ding de ao xiang  
Passing through despair and firmly soaring

Zhan fang wu xian de xiao rong  
Bursting with unlimited smiles

Qing chun meng xiang shu yu ni he wo  
Youth dreams belong to you and me
