I've heard them lilting  
?At are? you milking  
And I've heard them lilting  
Before light a-day

Now they are mourning  
For all time a-lilting  
The flowers of the forest  
Are all ?wean? away

Sad they for the order  
That sent them to the border  
The English by guile  
For once won the day

Now they are mourning  
For all time a-lilting  
The flowers of the forest  
Are all ?wean? away

I've heard them lilting  
?At are? you milking  
And I've heard them lilting  
Before light a-day

Now they are mourning  
For all time a-lilting  
The flowers of the forest  
Are all ?wean? away
