It seems like a lifetime since I saw you
Lover lover IÂ've been away too long
When I see lovers holding hands and sighing
I hang my head for shame of doing wrong

Bus wheels spinning, song birds singing break my
heart
Take me back to old remembered days
Remind me of the times we spent together
Times before we went our separate ways

I wish I was a fool for you again
I wish I was a fool for you again
I wish I was a fool for you again

IÂ'm sorry for the things IÂ've said, the things IÂ've
done
IÂ'm sorry for the restless thief IÂ've been
Please donÂ't make me pay for my deceiving heart
Just turn up your lamp and let me in

I wish I was a fool for you again
I wish I was a fool for you again
I wish I was a fool for you again
I wish I was a fool for you again
I wish I was a fool for you again
I wish I was a fool for you again
I wish I was a fool for you again
I wish I was a fool for you again
I wish I was a fool for you again
I wish I was a fool for you again
I wish I was a fool for you again
