We used to say "There'd come the day we'd all be
making songs
Or finding better words" These ideas never lasted long

The way is up along the road, the air is growing thin
Too many friends who tried, blown off this mountain
with the wind

Meet on the ledge, we're going to meet on the ledge
When my time is up, I'm going to see all my friends
Meet on the ledge, we're going to meet on the ledge
If you really mean it, it all comes around again

Yet now I see, I'm all alone, but that's the only way to be
You'll have your chance again, then you can do the
work for me

Meet on the ledge, we're going to meet on the ledge
When my time is up, I'm going to see all my friends
Meet on the ledge, we're going to meet on the ledge
If you really mean it, it all comes around again
Meet on the ledge, we're going to meet on the ledge
When my time is up, I'm going to see all my friends
Meet on the ledge, we're going to meet on the ledge
If you really mean it, it all comes around again
