Well, that big dumb blonde with Gorgeous George  
And Turtle, a friend of theirs, with his cheques all  
forged  
And his cheeks in a trunk with a cheese in the cash  
You're all gonna be there at that million dollar bash,  
and it's

(Chorus)

Ooh baby, ooh-ee  
Ooh baby, ooh-ee  
It's that million dollar bash

Everybody from right now go over there and back  
The louder they come, well the bigger they crack  
Come now, ?sweet pea?, and don't forget the flash  
We're all gonna meet at that million dollar bash

(Chorus)

Well, I took my counsellor out to the barn  
Silly Nelly was there, she told him a yarn  
Then along came Jones and emptied the trash  
Everybody went down to that million dollar bash

(Chorus)

Well, I been hittin' it too hard, you know, my ?sloes?  
won't take  
I get up in the morning, bit too early to wake  
First it's "Hello", then "Goodbye", they push and they  
crash  
But everybody's gonna make it to that million dollar  
bash

(Chorus)

Well, I looked at my watch then I looked at my wrists  
Punched myself in my face with my fists and I  
Took my taters back a-home to be mashed  
But then I made it right on to that million dollar bash

(Chorus)

(Chorus)

(Chorus)
