Rainbow over the hill
Rainbow over the hill
Rain clouds lifting
Just when you think they never will

And Iâ€™ll be on my way
Up and down in a swamp all day
And just when it broke my will
Thereâ€™s a rainbow over the hill

Donâ€™t you worry your weary head
About the fools and problems in your way
If you could see beyond tomorrow
You never would shed a tear today

Rainbow over the hill
Rainbow over the hill
New day breaking
No time to be standing still

And further on down the road
Iâ€™ll reap what I have sown
And just when Iâ€™ve had my fill
Thereâ€™s a rainbow over the hill

Donâ€™t you worry your weary head
About the fools and problems in your way
If you could see beyond tomorrow
You never would shed a tear today

Rainbow over the hill
Rainbow over the hill
Rain clouds lifting
Just when you think they never will

And Iâ€™ll be on my way
Up and down in the swamp all day
And just when Iâ€™ve had my fill
Thereâ€™s a rainbow over the hill
Rainbow over the hill
Rainbow over the hill
