In SunnyVista all your dreams are reality  
It's the smart place to be  
For all the family  
O SunnyVista, where you always wanted to stay  
We'll dance the happy hours away

Now the work is very clean  
You'll be helped by this machine  
And the hours are very short  
More time at home with the little dears  
All the houses are the same  
It's a standard we maintain  
Any problems please report  
And we will soon allay your fears

It's a smashing place for kids  
You really are well rid  
They'll be off your hands all day  
In the camps they'll play and play  
For kids of other ages  
Yes, dad and granddad too  
The leisure time facilities  
Will keep them smiling through

In SunnyVista all your dreams are reality  
It's the smart place to be  
For all the family  
O SunnyVista, where you always wanted to stay  
We'll dance the happy hours away

O the old folks will love it  
Our staff are very kind  
There's community singing  
Helps to stimulate the mind  
The cemetery is most discreet  
All done without a fuss  
For all life's little grievances  
Just leave it all to us

O there's parks and there's bingo  
There's contests and there's games  
And everybody's friendly

'Cos we're all just the same  
There's chances for promotion  
For the right kind of chap  
Who's smart and keen and go ahead  
We'll put him on the map

O SunnyVista, where you always wanted to stay  
We'll dance the happy hours away  
We'll dance the happy hours away
