It was three in the morning when she took me apart  
She wrecked the furniture, she wrecked my heart  
She danced on my head like Arthur Murray  
The scars ain't never going to mend in a hurry

Just when I thought I could learn to forget her  
Right through the door come a tear-stained letter  
Oh, oh, oh love love  
Cry, cry if it makes you feel better  
Set it all down in a tear-stained letter  
Oh, oh, oh love love love  
Cry, cry if it makes you feel better  
Set it all down in a tear-stained letter

Well my head was beating like a song by the Clash  
It was writing cheques that my body couldn't cash  
Got to my feet, I was reeling and dizzy  
I went for the 'phone but the line was busy

Just when I thought that things would get better  
Right through the door come a tear-stained letter  
Oh, oh, oh love love  
Cry, cry if it makes you feel better  
Set it all down in a tear-stained letter  
Oh, oh, oh love love love love  
Cry, cry if it makes you feel better  
Set it all down in a tear-stained letter

Well I like coffee and I like tea  
But I just don't like this fiddle-di-dee  
It makes me nervous, it gives me the hives  
Waiting for a kiss from a bunch of fives

Just when I think I could learn to forget her  
Right through the door come a tear-stained letter  
Oh, oh, oh love love love  
Cry, cry if it makes you feel better  
Set it all down in a tear-stained letter  
Oh, oh, oh love love  
Cry, cry if it makes you feel better  
Set it all down in a tear-stained letter  
Oh, oh, oh

Cry, cry if it makes you feel better  
Set it all down in a tear-stained letter
