Come on now mister  
Step right inside and see the show  
You'll like it mister  
It cures you if you're feeling low  
We'll take care of you  
Especially if you've got the dough

They'll move you mister  
Just like a hurricane moves a tree  
See here now mister  
Just look at what they've done for me  
You're gonna like it  
They'll take you where you wanna be

Alright now mister  
Come in and join the other guys  
Just one thing mister  
Don't try to touch the merchandise  
Or get too friendly  
You know that wouldn't be too wise

Come on now mister  
Step right inside and see the show  
You'll like it mister  
It cures you if you're feeling low  
We'll take care of you  
Especially if you've got the dough
